Learn to use everyday
opportunities and activities to
enhance your child's learning
and development!

For Maitland LGA families with a child 0-6 years. Registration is essential. The group is based on the evidence-based *smalltalk* supported playgroup model developed by the Parenting Research Centre and facilitated by qualified community services and early education staff at Maitland Family Support Inc. Attendance is for a whole term with support to connect with local community playgroups at conclusion.

There is no cost to attend the group.
